PARTY & ACTIVITY INFO

Parties at Bushue's Family Farm are self-guided and activities are purchased a la carte. WE DO NOT OFFER ANY PARTY PACKAGES OR GROUP RATES. It's up to you what activities to do and when to do them. If you order donuts and cider for your party, they will be ready and served at the beginning of your party slot.

Note: While your time in the picnic area is limited, you and your guests are welcome to play on the farm before/after your reserved time within our business hours of 10am to 5pm. You will only have access to the party area during your reserved time.

All farm activities are open to the public during birthday party times, this is NOT a private farm rental. This means you will share rides and activity spaces with the general public.

WEATHER: Our farm is open rain or shine. Our shelter provides cover from the rain, but many parts of the farm are out in the elements. Except in cases of extreme weather (hail, thunderstorms, or extreme downpours) we will be operating. If you have purchased hayrides, please understand that if the field is muddy and unsafe to navigate with our tractors, they will not run and we will adjust or refund your tickets accordingly. Please encourage guests to dress appropriately for an outdoor birthday party on the farm.

CAKE: We do not supply birthday cakes. You may bring your own birthday cake, cupcakes or treats. Please remember to bring candles, matches, a knife &/or cake server

FOOD: You are welcome to bring outside food, drinks, and treats in for your party but, due to alcohol laws, we do not allow the consumption of alcoholic drinks on the farm. Failure to abide by our alcohol policy will result in the ending of your party and you will forfeit a refund. You may choose to pre-order cold apple cider or donuts for your party.

PUMPKINS: We have a huge selection of pumpkins (orange, specialty, white, decorative, etc.) - please purchase at our pumpkin cash register.

DECORATIONS: We do not supply any decorations or birthday supplies. Please plan accordingly. You are responsible for removing all decorations and tape you used to put them up. Please no staples. Party area must be left how you found it - free of decorations, confetti, etc. We do not allow confetti poppers, silly string, fireworks, or pinatas at our farm.

SUPERVISION: Adult/guardian supervision of children is required at all times. We are a working farm with moving equipment and many unique dangers to unsupervised children. We do not provide staff to supervise/guide your group so please plan accordingly when planning your party to ensure that each child is being supervised for their safety. The party area is not supervised or monitored by staff, so it is best to delegate a person or a few people who stay nearby to watch over party goodies and the party area.

ALCOHOL & PET POLICY: The consumption of alcohol on farm property is strictly forbidden. Failure to follow these rules will result in you being asked to leave and you will forfeit a refund for your party. Due to health, insurance and safety reasons we do not allow pets of any kind on our property. Service animals are always welcome. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA. Our parking lot is NOT shaded, so please ask guests to keep pets at home rather than leaving them in their car.

GIFTS: We have found that opening gifts at the farm takes up a lot of party time and the other children are not always very patient when there are many fun activities to do! It may be best to put gifts in your car and enjoy your time here on the farm and then enjoy opening presents at home.

ACTIVITIES: Activity tickets must be purchased at our ticket booth. You may purchase them the day of the party, or you are welcome to purchase them ahead of time at our ticket booth by visiting the farm during our business hours.

NOTE: Wristbands are for kids only, adults only need tickets for hayride or pig train. All riders 2 and up require a ticket for the hayride or pig train ride. Adults do not need a ticket for the play area.
